Pond Technologies Holdings Inc. Announces Filing of 2017 Year-End Audited Financial Statements and Statement of Reserves Data

Calgary, Alberta, April 19, 2018 - Pond Technologies Holdings Inc. (the “**Corporation**” or “**Pond**”) (TSX.V: POND) announces that the audited financial statements of the Corporation for the year ended December 31, 2017 and the related management’s discussion and analysis, as well as the Corporation’s statement of reserves data and other oil and gas information for the year ended December 31, 2017, have been filed and are available for review on the SEDAR website at www.sedar.com or on the Corporation’s website at www.pondtechnologiesinc.com.

The December 31, 2017 audited financial statements and management’s discussion and analysis documents relate to a period of time before the completion of the reverse take-over and change of business transaction involving the Corporation (previously named Ironhorse Oil & Gas Inc.) and Pond Technologies Inc. which occurred on January 30, 2018. The first post-transaction financial statements and related management’s discussion and analysis will form part of the Corporation’s first quarter 2018 financial statements filings.

About Pond Technologies:

Located in Markham, Ontario, Pond has developed a proprietary growth platform that can transform carbon dioxide (CO₂) from virtually any source into valuable bio-products. The Corporation works with the cement, steel, oil and gas and power generation industries to reduce greenhouse gas emissions and generate new revenue streams.

Pond’s platform technology also includes the growth of algae superfoods for the nutraceutical and food additive markets. Pond’s system is capable of growing many species of algae, including strains that produce anti-oxidants, omega-3 fatty acids, and protein for human and animal consumption.
